Lakes Bay Preserve Vehicle Access Policy

Lakes Bay Recreation Association (LBRA) members in partnership with the land owners, New Jersey Conservation Foundation (NJCF), have been granted the extended privilege for vehicle access to the site for the specific purpose of launching non-motorized water craft. Please adhere to the following requirements:

- 1) Access site via cleared paths and parking locations. Do not disturb foliage or expand current areas. Additions, modifications to the site are at the sole discretion of the NJCF.
- 2) Vehicle access is for the intent of launching LBRA approved watercraft only.
- 3) Your vehicle may remain parked on-site while participating in the activity.
- 4) Approved watercraft must be capable of launch via hand carried means. Trailer launches or use of mechanical equipment is prohibited.
- 5) The method of entry (key, combination, etc), is for the sole use of the LBRA members. It may not be distributed in any form. Key issuance, combinations, etc. will be distributed by the LBRA Executive Committee.
- 6) Members are not permitted to grant access to non-member vehicles.
- 7) The gate must be locked after each use.
- 8) Additional vehicle access may be granted during approved LBRA events by permission only.

Because vehicle access is a privilege and could be revoked from our association, we need all members to monitor compliance of this policy. Please bring any issues of non-compliance to the attention of the LBRA Executive Committee.

Violation of this policy will result in loss of your vehicle access privileges and may result in a loss to your LBRA membership.
